Statement of GSL/DESC:

I can confirm that _____ is a member of this group/unit and is in need of financial support. Without the support of The District DI funds, he/she will not be able to participate in the above activity. I have tried to arrange for support from other areas, the details of which are stated above.

If you have gained 50% costs from the Scout Association, then a retrospective claim may be considered if the groups finances are such that repeated funding of disadvantaged individuals may put their finances at risk.

There are funds available from the Scout Association to support payment of camp fees. The Support Fund (formerly Needy Group) is there to support camp fee payments and the Ralph Reader Memorial Fund exists to support payment of International, Jamboree Camp fees or other purpose.
